DETAILED ACTION

Response to Arguments

1. Applicant's arguments, filed 26 July 2004, with respect to claims 1-3, 5-7, 9-40 have been fully considered and are persuasive. The previous rejections have been withdrawn.

Allowable Subject Matter

2. Claims 1-3, 5-7, 9-40 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art does not disclose a portable terminal supplier that embeds a manufacturer key, which has been registered with a certificate authority, in the portable terminals that the supplier manufactures. The portable terminal then uses its embedded manufacturer key to access digital content from a content supplier.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
